YOUR ADVISING APPOINTMENT

While at orientation, you meet one-on-one with an academic advisor from your academic college or school. **During this advising appointment, you will review and finalize your course schedule.** Please note: final transcripts must be received from any previous college(s) and/or school(s) for transfer equivalencies to be applied to your record. If you have not done so already, send final transcripts to the Office of the Registrar. You can view your accepted transfer credit on your MyMercer account under “My Grades” and the “Transfer Term” tab.

PLACEMENT EXAMS

During orientation and throughout the semester: registrar.mercer.edu/macon/placement-tests.cfm

FOREIGN LANGUAGE

If you studied a particular language for two or more years and wish to exempt your college or school’s foreign language requirement or desire to continue studying this language, take the foreign language placement exam. The placement exam takes approximately thirty minutes and consists of multiple choice, reading, grammar, and vocabulary questions. Note: The School of Engineering, Tift College of Education, and the College of Health Professions do not have a foreign language requirement. If you desire to start a new foreign language at Mercer, you do not need to complete the placement exam.

MATH

If your anticipated major requires calculus or chemistry and you have not previously completed a math course at your former institution, consider taking the thirty minute math placement exam to determine your future placement in a math course.
