Additional Depth

There are *four ways* to complete the additional depth requirement:

1. Second major
2. Minor
3. Teacher certification program
4. A BA or BS interdisciplinary major

Additional depth requires at least *15 hours* of upper-division coursework outside of the major area and not used to satisfy general education requirements.

You must earn a “C” average (*2.0 grade point average*) in your additional depth in order to graduate.

Drops vs. Withdrawals

Dropping a course

- **Completely removes course from your academic record**
- **Must be processed by the end of the fourth day of classes**

Withdrawing from a course

- **Records grade of “W” for the course on your academic record (does not influence your grade point average)**
- **Must be processed by the beginning of the eleventh week of classes**

***No withdrawals are possible after this deadline
without persuasive medical documentation!***
