<sup>1</sup> This course requires PSY 101 as the prerequisite or permission of instructor

<sup>2</sup> This course is taught by the College of Professional Advancement and requires special permission; see Dr. Bokros. The prerequisites for this course are BIO 131, 132, and BIO 102

Also note:

- Other courses may be approved on a case-by-case basis to fulfill some of these requirements
- A single course may not satisfy more than one prerequisite; each prerequisite listed above must be satisfied with a different course.
- A minimum of 60 credit hours must be completed before matriculation into GBCN.
- College courses are preferred over AP or CLEP credit; In-person courses are preferred over online.
- CLEP credit can fulfill an admission requirement, but not for lab sciences or for courses numbered 200-level or higher.
