YOUR ADVISING APPOINTMENT

REVIEWING YOUR SCHEDULE
While at Summer Orientation, you meet one-on-one with an academic advisor from your academic college or school. We encourage you to navigate this advising appointment independently as an opportunity to take ownership of your academic experience. Mercer typically receives official AP scores in July and adds these scores to students’ records upon receipt. Adjustments to students’ class schedules are made based on course credit awarded for acceptable scores. You will have the opportunity to review your fall course schedule again with your advisor at Bear Beginnings in August.

PLACEMENT EXAMS
No Pre-Registration Required!

FOREIGN LANGUAGE
If you studied a particular language for two or more years and wish to exempt your College or School’s foreign language requirement or desire to continue studying this language, take the foreign language placement exam at Summer Orientation or Bear Beginnings. The placement exam takes approximately thirty minutes and consists of multiple choice, reading, grammar, and vocabulary questions. Note: The School of Engineering, Tift College of Education, and the College of Health Professions do not have a foreign language requirement. If you desire to start a new foreign language in college, you do not need to complete the placement exam.

MATH
If your Math Index is 979 or below and your anticipated major or track requires calculus or chemistry, take the thirty minute math placement exam at Summer Orientation or Bear Beginnings to determine your level of math readiness.

Exams can only be taken once.
This office provides Accessibility, Consultation, Collaboration, Education, Support, and Services (ACCESS) and accommodations to ensure access to programs and services for students and visitors with disabilities as required under Rehabilitation Act Section 504 and the ADAAA.

If you had a 504 Plan or IEP in high school or currently have a severe and/or chronic medical, sensory, or psychological disorder that requires accommodations in the classroom, with testing, and/or for campus housing, you must contact ACCESS to submit your request for accommodations. Contact ACCESS if you have a mobility impairment and are concerned about access to classrooms or housing. Disability Verification Forms, the Process Overview, Student Responsibilities, and Mercer’s ADAAA/504 policies and procedures can be found on the ACCESS website.
Mercer Police officers are certified by the state of Georgia and act as the protective arm of Mercer University. Please program their telephone number into your phone in case you need to reach them quickly. Officers are always on duty to ensure Mercer is a safe place for students, faculty, staff, visitors, and their property. Mercer Police is also responsible for parking and traffic enforcement. Remember to get your free parking decal when you begin class this fall.

Housing and Residence Life supports students while they live in the residence halls, promoting the development of close relationships with diverse individuals while enhancing student leadership skills and personal responsibility. Residence halls are staffed by Resident Assistants (RAs) who live on each floor.

Counseling and Psychological Services (CAPS) is dedicated to supporting the emotional, personal, social and developmental needs of Mercer students. Services are designed to help address existing personal challenges and prevent future issues by providing confidential individual and relational counseling throughout a student’s career at Mercer. Additionally, CAPS offers consultation to students, faculty, staff and families, crisis management, outreach programs including AWARE and SHAPE and other educational programs. CAPS staff are here to help students be successful at Mercer. Students can call CAPS to schedule an appointment.

The Student Health Center (SHC) provides health services for all Mercer students, regardless of insurance coverage. The SHC is considered the primary healthcare provider for students who have the school insurance. Students with this insurance should contact Student Health if appointments or referrals are needed, prior to seeking other medical attention unless after hours or in cases of emergency.

Hours of Operation:
Fall and Spring Semesters: 8 AM til 5 PM, Monday–Friday
Closed from 12 PM to 1 PM

SHC provides various healthcare services including acute illness and injuries, allergy injections, immunizations, women’s health, and health education. Some students may be referred out — depending on the illness/injury — at the discretion of the SHC staff. All visits to the SHC are confidential. No information is released without the consent of the student.

SHC does not provide medical excuses for missed classes, exams, or assignments. In the event that a student needs to miss class, the SHC recommends that the student notify professors directly, prior to the absence.

To ensure Mercer is making every effort to fully address the issues of sexual assault and other forms of sexual violence, our Title IX Coordinator partners with other resources to promote a healthier and safer campus environment for everyone.

First-year students are required to complete the MANDATORY EverFi online course as a way to approach the interconnected issues of substance abuse, sexual violence, and unhealthy relationships through a variety of realistic scenarios and guided self-reflection. The online course must be completed no later than Wednesday, August 1, 2019, in preparation for the fall semester and joining the Mercer community.

Financial Notes

Payment Plan Enrollment
Payment plans are available through MyMercer beginning mid-July for the fall semester. You should enroll in a payment plan prior to the first day of class.
Meal Memberships are available to all students. Each Meal Membership comes with a predetermined balance of Dining Dollars between $50 and $400. These are also loaded onto your Bear Card. The minimum Meal Membership required is determined according to completed hours as stated in both the Housing and Meal Membership contract. Students with First-Year (0-29 hours), Sophomore (30-59 hours), and Junior (60-89 hours) academic status are required to purchase a meal plan REGARDLESS OF CAMPUS HOUSING — including the Lofts and apartments. Students under 30 credit hours are auto-assigned the Unlimited PLUS meal membership. As long as the student is officially registered for class, the contract is binding for the entire academic year, unless a change in class level occurs or the student is officially released from their housing contract. Should either occur, the student must submit a ‘Request to Change Meal Membership’ form to Auxiliary Services for approval.

Your Bear Bucks account – a prepaid, stored-value account that’s part of your Bear Card – is the convenient, cashless way to pay for your purchases on campus and at a variety of off campus locations. The area’s most popular local businesses accept Bear Card, and you can use it to pay for school supplies, restaurants, delivery, and more. Check out the website for a complete list of merchants who accept the Bear Card. To use it, simply deposit money into your Bear Bucks account and the balance will decrease with each purchase you make.

(p) 478.301.2687

After all orientations are complete, incoming residential students will be making their 2019-2020 housing assignment online. Access to the system will be based on the date Admissions received the enrollment deposit. A notification will be sent to the student’s Mercer e-mail stating the exact date and time of their access. Students may select desired roommate(s) IF they have the roommate PIN and know the roommate’s full name to aid in the selection process. Roommate PINs may be reset via MyMercer/Macon Housing if the students forget their PIN. It is necessary to obtain this information prior to accessing the self-assign process. Once the assignment is made, the student will not be allowed back into the system to add a roommate. For this reason, it is important that the student be the one to complete the online room selection process.
